

WELCOME TO HRA SPORTS and ACTIVITIES!

We welcome all participation whether or not you have experience. Because in a small school such as HRA, we need YOU and you will have fun! All high school sports are through ASAA (Alaska School Activities Association) and Junior High Sports are through ACSSA (Alaska Christian School Sports Association). For all high school sports, ASAA paperwork must be completed and the athlete must have a yearly physical. The high school athlete must attend ten practices before playing in a game. Listed below are sports dates and fees. The fees are set to cover officials fees, field rentals, equipment, uniforms, coaches salaries, etc. If you are unable to pay the full amount, please speak with Ms. Neumayr, our Principal, and we will work something out.! HRA does not want finances to bar you from participating.

Questions can be directed to our Athletic Director & Volunteer School Nurse, Maureen Klump at 223-2120
