

HRA SPORTS

WELCOME TO HRA SPORTS!

A proper classical education develops the body as well as the mind and the spirit. We welcome all students to participate in HRA athletics, whether or not they have any prior experience with a sport.

The Athletic Director will be Chris Corbin. He can be reached at crcorbin8@gmail.com. Feel free to contact him with questions about student or parent participation. All sports forms, fees, materials, and uniforms need to be submitted directly to him or the team coaches. **HRA sports fees and medical paperwork must be turned in before the athlete may participate in any practices or games.** (This is a legal requirement that will be strictly enforced by our Athletic Director and coaches.)

We are always on the lookout for parent coaches & chaperones. Volunteers help keep our sports fees to a minimum, as fees cover the costs for game officials fees, field rentals, equipment, uniforms, coaches' salaries, etc.
